Who is eligible to take the HSE-TASC Test?

To take the NJ HSE-TASC Test, you must be a resident of New Jersey. You must not have graduated high school or have a high school-level certificate or diploma. You must not be currently enrolled in high school, and you must be at least 16 years old. If you are 16 or 17, you need to provide a Certificate of Consent to Participate signed by a parent or legal guardian.

You will need two forms of identification to take the HSE – TASC test, which must show your New Jersey address. You can still take the HSE-TASC if you are not a U.S. citizen, as long as you meet the age requirements and are not enrolled in high school.
