Please select from the following three options. Choose either option 1 or option 2. All are welcome to choose option 3.

 1. We will participate at Festival de la Familia by offering games and activities.
(Organizations are free to distribute program information while offering games and activities)

Please describe your activity: (Each Organization will receive 1 10x10 tent, 1 table and two chairs)

 2. We will participate by sharing program information and resources under the Community Resources Tent.

You will share your information under a communal community resources tent with other nonprofit organizations. Tables and chairs will be available and a common table cloth will be used. (No tent to be used exclusively by your organization will be available.)

 3. We will contribute to the Back to School theme "Project Backpack" by providing donations of gender neutral backpacks or school supplies that will be distributed at Festival de la Familia.

Organizations are free to donate school supplies with organization logos to be placed in the backpacks. Please contact us to coordinate your contribution.
